

## The Canton of Lucerne talent promotion program visits Rachmaninoffs

Sunday, April 21, 2024, concerts at 11:15 a.m. and 2:15 p.m.

Report by Andrea Loetscher, Artistic and Managing Director of the Serge Rachmaninoff Foundation

10 talents from the talent promotion program of the canton of Lucerne have demonstrated their skills at Rachmaninoffs. The students, aged 14-18, have the potential to become professional musicians. Experiencing these talents so closely at Rachmaninoffs was a special experience for the audience. The subtlety of these talents was also evident in the way they encountered Rachmaninoff's Villa Senar, the way they sat down at the piano. It is the atmosphere of the place, the design of the program, the introductory words by Andrea Loetscher, the appreciation of the families who support these young talents, the teachers and the commitment to the music of the young people. During the interval between the concerts, the Serge Rachmaninoff Foundation served all kinds of delicacies, pampering culture for mind and soul. An all-round moving experience for visitors, musicians and fans. Mixed audiences, fans of the students, concertgoers, family members.

Pricing: Ticket price CHF 50. Only 10 tickets on sale, as parents and fans were allowed to come free of charge.

The Serge Rachmaninoff Foundation has borne the full costs for this event: piano tuning, catering, programmes, marketing, ticketing, organization, presence of Managing & Artistic Director Andrea Loetscher, 2 employees for ticket control and security, use of infrastructure, cleaning. Lump sum 7000 CHF.
