Due to the large number of requests and events already booked in addition to the public program, we are currently only able to accommodate such events for local partners, donors, and sponsors.

Rachmaninoff's grand piano may only be played by pianists accredited by the Rachmaninoff Foundation. The Rachmaninoff Foundation curates your special concert event in its entirety so that Rachmaninoff's life and work are professionally communicated and disseminated. To protect the property, only a certain number of events are possible.

Rachmaninoff's Villa Senar is not an event location but promotes culture and art locally, nationally, and internationally.

Detailed pricing is available only after consultation and booking, depending on the complexity of the event and any special requests.
